Texas State Convention Of NA (TSCNA)

Final Report for TSCNA V held in Amarillo, Texas

www.tscna.org

July 16, 2007

First we would like to say thanks to all of the members that continue to support the convention because of you this is possible. If there were some addicts that it was your first experience with the convention we would like to say thank you for your support as well. The Panhandle Area of Narcotics Anonymous in Amarillo Texas did a great job in hosting the convention. The convention continues to fulfill its primary purpose and that is to celebrate recovery through out the state of Texas. I am not a supporter of long and hard to understand reports so I hope that this one is clear and easily understood. Below you will find all of the numbers for the convention after all expenses were paid. The convention grossed a total of $19,374.30 and the expenses totaled $13,839.18 which left a net of $6,442.12.

Some information about the Advisory Board:
The Texas State Convention is a Non Profit Organization with a 501(c)(3) ruling from the IRS.
The advisory board is composed of 18 seats. The advisory board meets 4 times per year and has been meeting in Austin. Every region in the state of Texas has a seat on the advisory board even if they choose not to fill that seat. The advisory board has also included two areas as part of the board and they are El Paso & Texarkana Area. These two areas are part of regions that are located in another state. If the regions and areas choose to participate as part of the advisory board they appoint their own members to the board all others are elected at the advisory board meetings. The question of *"who the convention is accountable to"* is asked often. Accountability is not the term used in our service structure, the term used is "responsible to". The convention is responsible to its members and its members are composed of every addict in the state of Texas. Another question that is asked often "is it part of the service structure and how". The convention can be hosted by any part of the service structure which then makes it part of the service structure. The advisory board provides information and reports to the fellowship concerning the convention and conducts other business for the legal aspects of the convention. More information concerning the advisory board can be found in the policy which can be downloaded from the web site at www.tscna.org.

2008 Convention:
The convention will be hosted by the Dallas Area. The convention chair is Ruby B and her contact numbers are 214-546-8069 or 214-399-6286. The Texas State Convention is supported only donations from fundraisers. If your group or any part of the service structure is interested in hosting a fundraiser or would like to make a donation to the convention please contact the convention chair.
